

Homesick

Caleb Hearn

Every time I wake up by myself
Grab my phone, to let you know I'm here
Before I met you I would sleep past 12
I can't wait to get up anymore

Taking all my time
Baby that is fine
I don't need another sign
I got all I need in you
It's simple, but it's true
I can't find a problem with you
Don't know what to do

I can't get away
The way you say your name
Got me going crazy, so crazy, yeah

I'm homesick for you
Don't know what to do
You got my going crazy, so crazy, yeah

I'm homesick for you
Don't know what to do
You got my going crazy, so crazy, yeah

And every time I check my phone, I want it to be you
Blessing on blessings, up in my life you make it new
And I don't want no one, but you in my photos
Branded us together like some sneakers
You the logo

You better hold on
Imma take you where you want to go, oh

Yeah

I'm homesick for you
Don't know what to do
You got my going crazy, so crazy, yeah

I'm homesick for you
Don't know what to do
You got my going crazy, so crazy, yeah
