

## Little Bit Better

Caleb Hearn

I met somebody, selfless and kind  
She's got a smile even when she isn't fine  
She can be hurting, but she's got enough love to fill up Tennessee  
I met somebody, stays up at night  
I see her worry and she sees all of mine  
I met somebody, she really loves me, says I'm all she needs

And I  
Grew up thinking I would have to  
Fight all of this alone

But now you hold me in the darkness  
Hold me 'til it hurts less, you  
Tell me that I'm alright  
Show me where the light shines through  
Please, stay, love me through the weather  
Please, say this will be forever  
Hold me in the darkness  
Even when it's hard with you  
It's a little bit, little bit better

I met somebody, gentle and smart  
He underestimates the size of his heart  
He can be laughing, but he's got enough pain to fill up New York City  
I met somebody so full of scars  
The world's on his shoulders, but he won't fall apart  
I met somebody, he really loves me, says I'm all he needs

And I  
Grew up thinking I would have to  
Fight all of this alone

But now you hold me in the darkness  
Hold me 'til it hurts less, you  
Tell me that I'm alright  
Show me where the light shines through  
Please, stay, love me through the weather  
Please, say this will be forever  
Hold me in the darkness  
Even when it's hard with you  
It's a little bit, little bit better

Oh-oh-ooh, oh-oh-oh-oh, oh-oh, oh-ooh  
A little bit better  
Oh-oh-ooh, oh-oh-oh-oh, oh-oh, oh-ooh

And I  
Grew up thinking I would have to  
Fight all of this alone

But now you hold me in the darkness  
Hold me 'til it hurts less, you  
Tell me that I'm alright  
Show me where the light shines through  
Please, stay, love me through the weather  
Please, say this will be forever  
Hold me in the darkness

Even when it's hard with you  
It's a little bit, little bit better
