

Lost My Mind

Caleb Hearn

Feeling like I've lost my mind
And I know I'm out of time
Talking to myself
You ain't gotta say what's wrong
For me to know that you're not fine
Talking to myself

Talking to myself at night I can't sleep
Tell me how I miss you when I can't breathe
But it feels like I'm seeing both sides
Of the same lies
But the talks cheap
Back against the wall I see my cup is spilling over
Swore I'd never lie, you hold your head upon my shoulder
Mid to late July but I ain't never felt it colder
Drafted into war I got my bag and I'm a soldier

I don't wanna mention how I never made it work
Needed the attention I just put it in a verse
I can rewind
For the last time
I'm a get mine

Feeling like I've lost my mind
And I know I'm out of time
Talking to myself
You ain't gotta say what's wrong
For me to know that you're not fine
Talking to myself oh
Eh yeah eh yeah

Oh yeah

You call me after
Don't know what I'm doing, ah love
Call me when you outside
You know that I need ya
Only when I need to
But I told me that I never want to see you
Told me that I ever up and leave you
Don't call me, don't call me, no

Feeling like I've lost my mind
And I know I'm out of time
Talking to myself

You ain't gotta say what's wrong
For me to know that you're not fine
Talking to myself
