

# PLAY IT SAFE

Caleb Hearn

I used to speed, I used to fly  
Knee on the wheel, swerving the lines  
Like there was nothing nothing left to lose

I would get drunk, let my phone die  
I didn't care, where I spent the night  
'Cause there was no one no one to come home too

I used to live my life like there's no limit  
Recklessly but  
Now I look at you and I can't risk it

I wanna live 'til 90  
I want you here beside me  
I was never scared of dying  
But ever since you came my way  
I play it safe

Now I'm driving like, life is too short  
Hand on the wheel, the other in yours  
'Cause I got something, something to hold on to

I used to live my life like there's no limit  
Recklessly but  
Now I look at you and I can't risk it

I wanna live 'til 90  
I want you here beside me  
I was never scared of dying  
But ever since you came my way  
I play it safe  
I play it safe, I play it safe, I play it safe

Now I look both ways when I cross the street  
I drink 2 beers not 17  
I watch my mouth, watch what I eat  
These days  
And I pray before I get on flights  
I lock the door now every night  
There's more to life there's more to mine these days

I wanna live 'til 90  
I want you here beside me

I was never scared of dying  
But ever since you came my way  
I play it safe  
I play it safe  
I play it safe  
I play it safe  
(I play it safe)  
I was never scared of dying  
But ever since you came my way  
I play it safe
