

# She's Everything That I've Ever Wanted

Caleb Hearn

I thought I saw you in the parking lot at 12:05  
As I passed by  
I thought I heard you say my name, but it was just my mind  
I swear I'm fine  
Cause I've been loving somebody new  
It's picture-perfect, don't wanna lose it  
I still feel you on my skin, but I'm with her tonight

She's everything that I've ever wanted  
She makes me feel like I'm good enough  
But every second that we're together  
I still remember the way that you felt  
But now that I'm with somebody different  
Tell me why I'm still seeing you  
Maybe I'm running  
Fallin in love with  
Somebody new  
To feel how I did with you

I thought I'd sleep a little better if I'm not alone, but I was wrong  
And I hate it isn't you that I've been driving home to  
It's just not the same 'cause  
I've been loving somebody new  
It's picture-perfect, don't wanna lose it  
But is she only on my skin cause I want you tonight?

She's everything that I've ever wanted  
She makes me feel like I'm good enough  
But every second that we're together  
I still remember the way that you felt  
But now that I'm with somebody different  
Tell me why I'm still seeing you  
Maybe I'm running  
Fallin in love with  
Somebody new  
To feel how I did

When it was your hand, I was holding so tight  
At the foot of your bed when we swore on our lives  
Thought I finally moved on, fell in love with someone  
Is it ever gonna feel right?

She's everything that I've ever wanted  
She makes me feel like I'm good enough  
But every second that we're together  
I still remember the way that you felt  
But now that I'm with somebody different  
Tell me why I'm still seeing you  
Maybe I'm running  
Fallin in love with  
Somebody new  
To feel how I did with you
