

Stories

Caleb Hearn

Intro
Yeah-yeah-yeah

Chorus
I got stories I could tell
All fact no fiction
I could bring out the well
Hope you all still wishing
I got stories I could tell
How I made it in the business
I get letters in the mail
Not even kidding
I got stories I could
I could, I got stories I could tell

Verse 1
Spending 100 grand
Louis, Gucci, and Chanel
Bought another crib
And we stuck it on a hill
Saw the record label
Cause we could have signed a deal (singed the deal)
With the deal ?
I don't know ?
Changing overnight I turned to Bill Gates
? with the money
Now ?
We'd been selling out of shows
Like we opening for Coldplay
Running up the numbers
Yeah, we do it on our own space
Every song and banger and we listen to them all-day
Wrote all of the verse that my life ? hallway

Chorus
I got stories I could tell
All fact no fiction
I could bring out the well
Hope you all still wishing
I got stories I could tell (I could tell)
How I made it in the business
I get letters in the mail (I get letters in the mail)
Not even kidding

Verse 2
I'ma tell you how I never signed a deal
And I made a couple million
I moved ?
I did a couple shows
And I flew out to Brazil
And I got my money tied
And I got my ride or dies
And I bought a fancy car
And I took it for a ride
Does the roof go down?
Baby look up to the sky
I got famous in a night

And I turned into the guy
Yeah, I turned into the guy
Everybody want a ride

Outro

I got stories I could tell
All fact no fiction
I could bring out the well
Hope you all still wishing
I got stories I could tell
How I made it in the business
I get letters in the mail
And I ain't even kidding
