

THE LOWS

Caleb Hearn

I was face down lost in the deep end
Straight outta love to believe in
Small town burnt out praying things'll change
Oh I never knew
That you'd make it all okay

I've been back and forth with my demons
Guess life's got a way of getting even
'Cause sometimes some nights I still feel that way
But darling when I do
You make it all okay

When I'm alone
And freezing cold
You come home
And love me through the lows

Pull me close
And kiss me slow
'Til we grow old
Love me through the lows

Now I watch you pack on a Tuesday
Folding one weeks clothes in a suitcase
Crazy I still miss you long before you're gone
Now I know it's you
You are right where I belong

When I'm alone
And freezing cold
You come home
And love me through the lows

Pull me close
And kiss me slow
'Til we grow old
Love me through the lows

Uhhh uhhhh uhhh uhhh
Uhhh uhhhh uhhh uhhh

Uhhh uhhhh uhhh uhhh
Uhhh uhhhh uhhh uhhh

When I'm alone
And freezing cold
You come home
And love me through the lows

Pull me close
And kiss me slow
'Til we grow old
Love me through the lows
