

# You Know

Caleb Hearn

You know my past is complicated  
You know I'm not who I pretend to be  
I know you've seen me devastated  
But you just know how it goes (you just know how it goes)  
You know that I can be a handful  
You know that you've been hurt before  
You know I'm way too much to handle  
But you know (yeah you know) yeah, you know how this goes

What'd you mean when you say that you're stayin'  
What'd you mean when you show up at my door  
What'd you mean girl I'm really overrated  
You know, you know, you know how this goes  
Yeah, you know, you know, you know  
Yeah, you know, you know, you know, oh oh  
Yeah, you know, you know, you know  
Yeah, you know, you know, you know, oh oh

I know this is all my fault  
But I don't wanna bring you down  
You insist on making every single effort  
Till I can't keep you from myself  
And you know that I can be a handful  
And you know that you've been hurt before  
You know I'm way too much to handle  
But you know (but you know) yeah, you know how this goes

What'd you mean when you say that you're stayin'  
What'd you mean when you show up at my door  
What'd you mean girl I'm really overrated  
You know, you know, you know how this goes  
Yeah, you know, you know, you know  
Yeah, you know, you know, you know, oh oh  
Yeah, you know, you know, you know  
Yeah, you know, you know, you know, oh oh

I ain't never met another girl like you  
Two plus two till we say "I do"  
I got time if you really tryna kick it for tonight  
I'm in line if you taking applications for the night, uh  
You know I got problems  
But you really adamant on tellin' me to solve 'em  
Take your time, you know I...

Yeah, what'd you mean when you say that you're stayin'  
What'd you mean when you show up at my door  
What'd you mean girl I'm really overrated  
You know, you know, you know how this goes  
Yeah, you know, you know, you know  
Yeah, you know, you know, you know, oh oh  
Yeah, you know, you know, you know  
Yeah, you know, you know, you know, oh oh
