

Break Every Chain / Revelation Song

Caleb + Kelsey

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain
Break every chain, break every chain, break every chain

Holy, holy, holy is the Lord God Almighty
Who was and is and is to come
With all creation I sing praise to the King of kings
You are my everything and I will adore You

Filled with wonder awestruck wonder
At the mention of Your name, oh
Jesus Your name is power, breath and living water
Such a marvelous mystery

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
Your name is power, breath and living water
To break every chain, break every chain, break every chain
Break every chain, break every chain, break every chain

Holy, holy, holy is the Lord God Almighty
Who was and is and is to come, yeah
With all creation I sing praise to the King of kings
You are my everything and I will adore You

There is power in the name of Jesus
There is power in the name
And I will adore You
