

How Do I Live / I Need You

Caleb + Kelsey

How do I get through one night without you?
If I had to live without you
What kind of life would that be?

Oh, I, I need you in my arms, need you to hold
You're my only reason
You're my only truth

I need you like water, like breath, like rain
I need you like mercy from Heaven's gate
There's a freedom in your arms that carries me through
I need you

I don't need a lot of things
I can get by with nothing
Of all the blessings life can bring
I've always needed something

If you ever leave
Baby, you would take away everything good in my life
And tell me now

How do I live without you? I want to know
How do I breathe without you if you ever go?
How do I ever, ever survive?
I need you like water like breath, like rain
I need you like mercy from Heaven's gate
If you ever go, how do I ever, ever survive?

There's a freedom in your arms
That carries me through
How do I, oh, how do I live?
