

It Came Upon a Midnight Clear (Jesus Messiah)

Caleb + Kelsey

It came upon the midnight clear
That glorious song of old
From angels playing near the earth
To touch their harps of gold

Still through the cloven skies they come
With peaceful wings unfurled
And still their heavenly music floats
O'er all the weary world

We join with the angels, hallelujah
We lift up our voices now
Peace on the earth and good will to men
Let heaven's love come down
Glory to God in the highest
Jesus Messiah!
Jesus Messiah!

Peace on the earth and good will to men
From heaven's all gracious King
The world in solemn stillness lay
To hear the angels sing

We join with the angels, hallelujah
We lift up our voices now
Peace on the earth and good will to men
Let heaven's love come down
Glory to God in the highest
Jesus Messiah!
Jesus messiah!

The world in solemn stillness lay
To hear the angels sing
