

Never Forget You

Caleb + Kelsey

I used to be so happy, but without you here I feel so low
I watched you as you left, but I can never seem to let you go

'Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
It's buried deep inside me, but I feel there's something you should know

I will never forget you
You will always be by my side
From the day that I met you
I knew that I would love you 'til the day I die
And I will never want much more
And in my heart, I will always be sure
That I will never forget you
And you will always be by my side
'Til the day I die

Funny how we both end up here, but everything seems so right
I wonder what would happen if we went back and put up a fight, oh

'Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
So, what in this world do you think could ever take you off my mind? Oh

I will never forget you
And you'll always be by my side
From the day that I met you
I knew that I would love you 'til the day I die
And I will never want much more
And in my heart, I will always be sure
That I will never forget you
And you will always be by my side
'Til the day I die

Feelin' it, lovin' it, everything that we do
And all along, I knew I had somethin' special with you
But sometimes you just gotta know that these things fall through
I'm still tied and I can't hide my connection with you
Feelin' it, lovin' it, everything that we do
And all along, I knew I had something special with you
But sometimes you just gotta know that these things fall through
I can't hide my connection with you

Oh-
And you'll always be by my side (always by my side)
From the day that I met you (I met you)
I knew that I would love you 'til the day I die (I die)
And I will never want much more (want more)
And in my heart, I will always be sure (be sure)
That I will never forget you (I will never)
And you'll always be by my side
'Til the day I die

Oh-
Never forget you (never forget you)
No (oh)
Til the day I die
