

Never Lost

Caleb + Kelsey

Miracles when You move
Such an easy thing for You to do
Your hand is moving right now
You are still showing up
At the tomb of every Lazarus
Your voice is calling me out

Right now, I know You're able
And my God, come through again

You can do all things
You can do all things but fail
'Cause You've never lost a battle
No, You've never lost a battle
And I know, I know
You never will

Everything's possible
By the power of the Holy Ghost
A new wind is blowing right now
Breaking my heart of stone
Taking over like it's Jericho
And my walls are all crashing down

But right now, I know You're able
And my God, come through again

You can do all things
You can do all things but fail
'Cause You've never lost a battle
No, You've never lost a battle
And I know, I know
You never will

You've never lost a battle (You've never lost a battle)
You've never lost a battle (never lost a battle)
And I know, You never will

You can do all (You can do all things)
Everything is possible for You
You can do all things but fail
'Cause You've never lost a battle
No, You've never lost a battle
And I know, I know
You never will

Yes, I know, oh, I know
You never will
