

## Thinking out Loud

Caleb + Kelsey

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love?  
Will your eyes still smile from your cheeks?  
And darling I will be loving you till we're seventy  
And baby, my heart could still fall as hard at twenty-three  
And I'm thinking about how

People fall in love in mysterious ways  
Maybe just the touch of a hand  
Well me, I fall in love with you every single day  
And I just wanna tell you I am

So honey, now, take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart, I'm thinking out loud  
That maybe we found love right where we are

When my hair's all but gone and my memory fades  
And the crowds don't remember my name  
When my voice don't sing the songs the same way  
I know you will still love me the same  
'Cause honey your soul could never grow old, it's evergreen, oh  
And baby, your smile's forever in my mind and memory  
And I'm thinking about how

People fall in love in mysterious ways  
Maybe it's all part of a plan  
Well, I'll just keep on making the same mistakes  
Hoping that you'll understand

But, baby, now, ohh, take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart, I'm thinking out loud  
That maybe we found love right where we are  
I'm thinking we found love right where we are  
And we found love right where we are
