Golden gown with the stench of incense  
Blood coloured velvet stained with sperm  
... how young bite for your uncontrolled lust

Pressed against the wall, with the gun in your ass and heart on  
a thread  
Not an easy way out, when you know whom you face  
Brainwhashed with all this silly philanthropy....  
Do you really believe human life has the value they attribute i

So many sliced wounds for my delight  
Deeper and deeper to the bone  
Skin covered with bleeding runic signs  
Lack of conscience  
Heartless and cold to your cries  
Madness culminates  
and the stabbing gets faster  
Watching the body ridden with a horrid nervous fit  
Final blessing before your impalement  
You're honoured with taking over the place of Jesus  
It will be a pleasant look for your sheep
