

## Music Box

Calexico

Here's a little gift  
From me to you  
A place to store your dreams  
And your secrets too

When the world goes dark  
I'll always be close by  
To hear your dreams unfold  
Hold you when you cry  
And as you walk away  
Let go of my hand  
Smile as you turn for one last look  
And know you understand

Listen to the song  
And where it takes your soul  
Watch the dancers spin around  
A thousand times more  
I've traveled across the sea  
Just to bring you this  
An unconditional waltz  
And a loving kiss  
I know I've been away  
And for way too long  
I need you now more than ever  
Before the music is over

I want you to know  
This song's for you  
I want you to know  
That I love you  
I want you to know  
This song's for you  
I need you to know  
That I love you
