

# Waiting For A Miracle

Calexico

Baby, I've been waiting  
I've been waiting night and day  
I didn't see the time  
I waited half my life away  
There were lots of invitations  
I know you sent me some  
But I was waiting  
For the miracle  
For the miracle to come

I know you really loved me  
But, you see, my hands were tied  
I know it must have hurt you  
It must have hurt your pride  
To have to stand beneath my window  
With your bugle and your drum  
While I was waiting  
For the miracle  
For the miracle to come

I don't believe you like it  
You wouldn't like it here  
There's not much entertainment  
And the judgements are severe  
The maestro says it's Mozart  
But it sounds like bubble gum  
Waiting  
For the miracle  
For the miracle to come

Waiting for the miracle  
There's nothing left to do  
I haven't been this happy  
Since the end of World War II  
Nothing left to do  
When you know that you've been taken  
Nothing left to do  
When you're begging for a crumb  
Nothing left to do  
When you've got to go on waiting  
Waiting for the miracle to come

Baby, let's get married  
We've been alone too long  
Let's be alone together  
Let's see if we're that strong  
Let's do something crazy  
Something absolutely wrong  
Waiting for the miracle  
Waiting for the miracle  
Waiting for the miracle  
Waiting for the miracle  
For the miracle to come to come  
Waiting for the miracle  
For the miracle to come to come  
Waiting for the miracle  
For the miracle to come to come

Waiting for the miracle  
For the miracle to come to come  
Waiting for the miracle  
Waiting for the miracle to come
