

## Good Stuff

## Cali Life Style

Lookin' for that good stuff (no stems no seeds)  
Lookin' for that good stuff  
Lookin' for that hood stuff (so fresh so clean)  
Lookin' for that hood stuff (hiiii)

I'm lookin' for that hood stuff baby  
Hit me on the low  
I'm lookin' for that hood stuff baby  
Open up the door  
No time for bullshit I gots to go  
Drop 1-50 on a quarter O  
I'm rolling with that good stuff next to ya  
With my godson and my girl Lexia  
Donnie's in the background stacking a mill  
From the city of palm trees all the way to Vallejo  
When it's time to glide out that shit in motion  
Get lost for a minute then I'm back to coastin'  
I rep the west like I rep the set  
Smokin' a brew, drinking a cigarette  
I'm down for mine and that's all the time  
And now you muthafuckas will now know the nine

Lookin' for that good stuff (no stems no seeds)  
Lookin' for that good stuff  
Lookin' for that hood stuff (so fresh so clean)  
Lookin' for that hood stuff (hiiii)

I'm a need 6 feet to a minimum  
When I'm getting em, funk face and hitting em  
Told you once man, cold as ice  
Ain't nothing nice when it comes to this life  
Centro sick, show no pity  
So rough so tough so pretty  
Man I'm right back in it  
[?] to go with it  
Baby face lifted, Cali life fitted  
Bad to the bone, getting deep in the zone  
Man fuck the police  
Ain't nobody going home  
Man we stay to the beat  
Like haze to the streets  
Like jays to the beat  
Hood ABC's  
Scrambling, [?] can't handle it  
Baby yoda and his mandible lens  
See we Jedi knights  
We no one-trick pony's  
So respect what you show (what you showing)

Lookin' for that good stuff (no stems no seeds)  
Lookin' for that good stuff  
Lookin' for that hood stuff (so fresh so clean)  
Lookin' for that hood stuff (hiiii)  
Lookin' for that good stuff (no stems no seeds)  
Lookin' for that good stuff  
Lookin' for that hood stuff (so fresh so clean)  
Lookin' for that hood stuff (hiiii)
