

# Dragon

Caliban

My soul is wrapped in plastic  
My heart's cut, stitched and scarred  
My feelings non-existent  
My lust stuffed in a jar

Born with the devil in me  
The world is weak  
I'm the powers that be (Born with the)  
Born with the devil in me  
It's in me  
It's in me  
Until it breaks free

Something's inside of me  
Something's inside of me (Something)  
Something's inside of me (Can't hold it back)  
Something, something inside

Love to see you plead and weep  
Watching the light passing from your eyes  
Love to taste your salty tears  
It's time to kiss your life goodbye

Born with the devil in me  
The world is weak  
I'm the powers that be (Born with the)  
Born with the devil in me  
It's in me  
It's in me  
Until it breaks free

Until it breaks free  
Until it breaks free

Something's inside of me  
Something's inside of me (Something)  
Something's inside of me (Can't hold it back)  
Something, something inside

I'm a dragon, I never truly die  
I'm a dragon, I'm never satisfied  
Feel my wrath  
You can't hold me back  
You can't hold me back

Something's inside of me  
Something's inside of me (Something)  
Something's inside of me (Can't hold it back)  
Something, something inside

Something's inside of me  
Something's inside of me (Something)  
Something's inside of me (Can't hold it back)  
Something, something inside

Feel my wrath
