

Dystopia

Caliban

Welcome dystopia
Come show me who you are
Welcome dystopia
Come show me who you are

I hate myself
I, I hate all of you
I hate myself
I, I hate everything
I hate myself
I, I hate all of you
Ones and zeros
Who the fuck are you?

Media is like a mirror
And I don't like what I see
I change, I shift
'Generation Me'
I love myself 'cause the truth is elsewhere
I'm caught inside this dystopian nightmare

There's truth inside a lie
You can't escape dystopia
There's truth inside a lie
You can't escape dystopia

I hate myself
I, I hate all of you
I hate myself
I, I hate everything
I hate myself
I, I hate all of you
Ones and zeros
Who the fuck are you?

Angst and isolation
Techno sadness, paranoia
Existential panic
We're alone together
Your grin so cheerless
Stuck in the matrix
Where hate is faceless
I fucking hate this

Narcissistic, religious
Metastatic, can't quit this

There's truth inside a lie
You can't escape dystopia
There's truth inside a lie
You can't escape dystopia

I can't escape, I can't escape
I've gone astray, I've gone astray

I feel so lifeless, I'm stuck in the matrix
I can't escape this mess, blegh

I can't escape this mess
It's killing me, killing me now
I can't escape
It's killing me, killing me now
I can't escape
I can't escape this mess

There's truth inside a lie
You can't escape dystopia
There's truth inside a lie
You can't escape dystopia

Dystopia, dystopia
I can't escape, I've gone astray
Dystopia, dystopia
I can't escape, it's killing me

I hate myself
I, I hate all of you
I hate myself
I, I hate everything
(I hate myself
I, I hate all of you
Ones and zeros
Who the fuck are you?)
