Insomnia!

My nightmare holds me in a grip  
My mind and body start to slip  
Mad voices sing inside my ear  
They're dragging me under, dragging me under

It's dragging me under like a tidal wave  
I'm buried alive inside an empty cage  
I'm trapped in my prison, can't let go  
Insomnia, insomnia

The shadows crawl across my skin  
I cannot breathe, can't escape within  
The silent screams that make me fear  
They're dragging me under, dragging me under

My heart is burning inside my chest  
My soul is still hurting that's why I can't rest  
I feel like I'm drowning, I feel like I'm paralyzed  
There's no end in sight

It's dragging me under like a tidal wave  
I'm buried alive inside an empty cage  
I'm trapped in my prison, can't let go  
Insomnia, insomnia

Your weight is pulling me down  
As I look into your bloodshed eyes

It's dragging me under like a tidal wave  
I'm buried inside

It's dragging me under like a tidal wave  
I'm buried alive inside an empty cage  
I'm trapped in my prison, can't let go  
Insomnia, insomnia

It's dragging me under (It's dragging me under)  
It's dragging me under (Like a tidal wave)  
It's dragging me under (No end in sight)  
Insomnia (Insomnia)
