

JUST SHOUT IT LOUD!

You comin to? Get in the crowd  
You comin crew? It turns me on!  
You comin to? Get in the crowd, we'll start!

You comin to? Get in the crowd  
You comin crew? It turns me on!  
You comin to? Get in the crowd, we'll start!

You can do anything whatever you want  
So, no need to hesitate  
Future's right there  
Make some rules  
Kick it now

Correct or wack, check yourself  
Stake yourself before you upset  
That's the way we do all the time  
Correct or wack, check yourself  
Open your mind, open mind

You comin to? Get in the crowd  
You comin crew? It turns me on!  
You comin to? Get in the crowd, we'll start!

You comin to? Get in the crowd  
You comin crew? It turns me on!  
You comin to? Get in the crowd, we'll start!
