

Death Of The Party

Call Me Karizma

Who let this guy in? I did
Ain't no one keeping me out
Rain cloud on my head
And it keeps chasing me around

People say I'm hard to deal with, yeah
Something's coming on, I feel it

I'm Mr. Death of the Party
Menacing everything
Such a Debbie Downer
I'm sorry
It's in my DNA
RIP to the VIP
Ain't no one cool around me
I'm Mr. Death of the Party
(I'm Mr. Death of the Party)

Nobody's safe in this club
No bouncer is holding me back
The lights and cameras
Just keep on driving me mad

People say I'm hard to deal with, yeah
Something's coming on, I feel it

I'm Mr. Death of the Party
Menacing everything
Such a Debbie Downer
I'm sorry
It's in my DNA
RIP to the VIP
Ain't no one cool around me
I'm Mr. Death of the Party
(I'm Mr. Death of the Party)
(I- I'm Mr. Death of the Party)

Shut it down, now
Shut it down, now
Turn the sound down
Hit the lights out
Murder on my mind
It's the fucking vibe, yeah
Will you make it out alive?
We shall find out

(I'm Mr. Death of the Party)

I'm Mr. Death of the Party
Menacing everything
Such a Debbie Downer
I'm sorry
It's in my DNA
RIP to the VIP
Ain't no one cool around me
I'm Mr. Death of the Party
(I'm Mr. Death of the Party)

(I- I'm Mr. Death of the Party)
