

DELINQUENTS

Call Me Karizma

Fuck

I am not a fan of the man, I am Peter Pan
Swinging hands, tryna be a voice, I'm the people's champ
We are not the same, you are just a name, I am off the chain
I don't talk to lames, why we talking then?

I'ma jump, jump, jump, jump
I'm tryna tear this place up, up, up, up
I think we've all had enough-nough-nough-nough
You gotta fight for what you love, love, love, love
Love? Fuck

Whoa, whoa, I'm tryna fucking lose control-trol
I'm just a youngin' on a roll, roll
Oh, in case you didn't know
I'm a role model for delinquents

Whoa, whoa, I'm tryna fucking lose control-trol
I'm just a youngin' on a roll, roll
Oh, in case you didn't know
I'm a role model for delinquents

I am not okay with the current state
Every word they say is up for debate
Causing certain pain
And I hate when these people say
They will keep us safe
'Cause we ain't, we're going insane
It is time to rage

Fucking jump, jump, jump, jump
I'm tryna tear this place up, up, up, up
I think we've all had enough-nough-nough-nough
You gotta fight for what you love, love, love, love
Love? Fuck

Whoa, whoa, I'm tryna fucking lose control-trol
I'm just a youngin' on a roll, roll
Oh, in case you didn't know
I'm a role model for delinquents

Whoa, whoa, I'm tryna fucking lose control-trol
I'm just a youngin' on a roll, roll
Oh, in case you didn't know
I'm a role model for delinquents

I got the lighter, you got the gas
Let's make a fire, let's do it fast
Flames going higher, let's just sit back
And watch as the kings turn to ash
Again

I got the lighter, you got the gas
Let's make a fire, let's do it fast
Flames going higher, let's just sit back
Watch as the kings turn to ash

Whoa, whoa, I'm tryna fucking lose control-trol
I'm just a youngin' on a roll, roll
Oh, in case you didn't know
I'm a role model for delinquents

Whoa, whoa, I'm tryna fucking lose control-trol
I'm just a youngin' on a roll, roll
Oh, in case you didn't know
I'm a role model for delinquents
