

Monster

Call Me Karizma

I'm way too young to be this damaged
Why can't I turn off these voices in my head?
I'm way too dumb to ask for help
So I talk to the monster underneath my bed

Yeah, yeah, yeah
I never told this one before
I, kissed a boy
I was, six years old
And I never did again
Now I fuck girls every tour
I, missed the point
Now my list is full
And I'll never reach the end
I'm way too sober to call your ass up at this time
But it's 4AM and I crave your skin
I'm just a loner who thinks about wanting to die
It's okay to sin, but is it okay to quit?
Shit

I'm way too young to be this damaged
Why can't I turn off these voices in my head?
I'm way too dumb to ask for help
So I talk to the monster underneath my bed
