

As If

Call Me Loop

There's no need to lie to me baby
Tryna get cute and sly with me baby
Spin a web of "yeah, right"s for me baby
As if I care

There's no need to toy with me baby
Tryna play it all coy with me baby
Think you're going all "boy" on me baby
As if I care

Cause I'm just gonna let you down
Yeah I'mma be the one to burn this out
You think you can affect my heart
Oh baby you'd be wishing on a star

Cause I can give as good as I get, you'll see
Boy you ain't got me just yet, guarantee
(Boy you ain't got me just yet, guarantee)

There's no need to lie to me baby
Tryna get cute and sly with me baby
Spin a web of "yeah, right"s for me baby
As if I care

There's no need to toy with me baby
Tryna play it all coy with me baby
Think you're going all "boy" on me baby
As if I care

As if I care

As if I care

Cause we don't need to jump the gun
It's not as if you think that I'm the one
So what's the point in playing cute
When we'll be on a somebody out soon

Oh don't waste your time tryna figure me out
When all I'm good for is fucking around
(When all I'm good for is fucking around)

There's no need to lie to me baby
Tryna get cute and sly with me baby
Spin a web of "yeah, right"s for me baby
As if I care

There's no need to toy with me baby
Tryna play it all coy with me baby
Think you're going all "boy" on me baby
As if I care

As if I care

As if I care

As if I care

As if I care

As if I care
