

Buttlerflies

Call Me Loop

I never got when my friends say
I think about him every day
But now I'm thinking bout you every waking minute hour

I don't care what we do tonight
As long as I'm with you I'm fine
I don't know what it is but boy you've got some superpowers

Oh it scares me to admit it
Cos saying it out loud
I fear I might jinx it
I guess this must be butterflies

Feel sick
But I think I love it
Each kiss
And my heart gets pumping
Breathing
Like I just been running
I guess this must be butterflies
Feel sick
But I think I love it
Each kiss
And my heart gets pumping
Breathing
Like I just been running
I guess this must be butterflies

He says I'm so easy to read
My heart laid out upon my sleeve
So funny that's the opposite of what the others all said

Used to hold my cards up to my chest
But you put my poker face to the test
I know you know I'm all in baby you're so in my head

Oh it scares me to admit it
Cos saying it out loud
I fear I might jinx it
I guess this must be butterflies

Feel sick
But I think I love it
Each kiss
And my heart gets pumping
Breathing
Like I just been running
I guess this must be butterflies
Feel sick
But I think I love it
Each kiss
And my heart gets pumping
Breathing
Like I just been running
I guess this must be butterflies

Down from my toes into my shoulders

It's so electric when I hold ya
Don't want this ever to be over
I guess this must be butterflies
Down from my toes into my shoulders
It's so electric when I hold ya
Don't want this ever to be over

Feel sick
But I think I love it
Each kiss
And my heart gets pumping
Breathing
Like I just been running
I guess this must be butterflies
Feel sick
But I think I love it
Each kiss
And my heart gets pumping
Breathing
Like I just been running
I guess this must be butterflies

Down from my toes into my shoulders
It's so electric when I hold ya
Don't want this ever to be over
I guess this must be butterflies
Down from my toes into my shoulders
It's so electric when I hold ya
Don't want this ever to be over
