

Cry Like Kim K

Call Me Loop

I'm emotional, I know
But I'm tenacious let you think you in when you don't
I'm sentimental, for sure
But not to the bullshit you pull

You think I'll cry like Kim K (What's the point?)
You think I'll cry like Kim K (Bible, I won't)
You think I'll cry like Kim K (C'mon though)
You think I'll cry like Kim K
Not gonna to cry like
Not gonna cry like Kim K

You're pathetic you know
But it's entertaining when you put on a show
You're ridiculous for sure
And I won't take your shit anymore

You think I'll cry like Kim K (What's the point?)
You think I'll cry like Kim K (Bible, I won't)
You think I'll cry like Kim K (C'mon doll)
You think I'll cry like Kim K
Not gonna to cry like
Not gonna cry like Kim K

Want me to make a scene
Mess up my Maybelline
Oh boy you're not worth the waste
You won't see a single tear
I think I made it clear
Just look at my flawless face

You think I'll cry like Kim K (What's the point?)
You think I'll cry like Kim K (Bible, I won't)
You think I'll cry like Kim K (C'mon doll)
You think I'll cry like Kim K
Not gonna to cry like
Not gonna cry like Kim K

Want me to make a scene
Mess up my Maybelline
Not going to cry like Kim K (Not gonna cry like Kim K)
You won't see a single tear
I think I made it clear
Not going to cry like Kim K (Not gonna cry like Kim K)
