

# Pattern Of Behaviour

Call Me Loop

I got a pattern  
A pattern of behaviour  
They say I can save you, and I try to be gracious  
But no, no, they won't (but no, no, they won't)  
I'll be the first to blame me, but there's no one tryna change me  
Just give me your attention 'cause I need validation  
They always try to tame me  
But no, no, they won't (but no, no, they won't)

All eyes on me, yeah, that's all that I need  
I'm my own fucking worst enemy

Why, why, why?  
Do I just have to ruin love? Oh  
Why, why, why?  
Can one drink never be enough, no?  
Why, why, why?  
Do I self-destruct, always want too much?  
This is dangerous  
Tell me why, why, why?

I think that I'm addicted  
Addicted to the spotlight  
The cure's so hard to find, I've tried and I've tried  
But no, no, no, no (but no, no, no, no)  
So now I'm gonna face it, why shouldn't I embrace it?  
The one that you invite when you needed some excitement  
You think that I would waste these?  
No, no, no, I won't (no, no, no, I won't)

All eyes on me, yeah, that's all that I need  
I'm my own fucking worst enemy

Why, why, why?  
Do I just have to ruin love? Oh  
Why, why, why?  
Can one drink never be enough, no?  
Why, why, why?  
Do I self-destruct, always want too much?  
This is dangerous  
Tell me why, why, why?  
Do I just have to ruin love? Oh  
Why, why, why?  
Can one drink never be enough, no?  
Why, why, why?  
Do I self-destruct, always want too much?  
This is dangerous  
Tell me why, why, why?

I'll keep going till this crashes  
Till I'm rising from the ashes  
'Cause you now I'll never change, no matter what they say  
Felt it time and time again

All eyes on me, yeah, that's all that I need  
I'm my own fucking worst enemy

Why, why, why?  
Do I just have to ruin love? Oh  
Why, why, why?  
Can one drink never be enough, no?  
Why, why, why?  
Do I self-destruct, always want too much?  
This is dangerous  
Tell me why, why, why?
