

Loyalty

Calling All Captains

I want to know where your loyalties lie
I've been alone for most of my life
I will never look back
I'll leave it all
I know where my heart's at
(Turn it off)

Turn the lights off and I sit back
Smoke a cigarette
I'm fuckin' sick of it
See the moonlight on the ceiling
Wake me up when I stop breathing
Wake me up when I stop breathing

It feels like I've been hanging on
I swear I'm just a shell of my former self
With perseverance I will live this hell
But can you tell that I'm not doing well
(Doing well)

Turn the lights off and I sit back
Smoke a cigarette
I'm fuckin' sick of it
See the moonlight on the ceiling
Wake me up when I stop breathing
Wake me up when I stop

Turn the lights off and I sit back
Smoke a cigarette
I'm fuckin' sick of it
See the moonlight on the ceiling
Wake me up when I stop breathing
Wake me up when I stop breathing
Wake me up when I stop
