

# Adrienne

The Calling

**G D**

I've been thinkin about you, my love

**C D**

And all the crazy things that you put me through

**G D C D**

Now I'm coming around, and throwing it back to you

**G D**

Do you think about me, when you kiss him

**C D**

Can you taste me when you lick his skin

**G D G**

And all the while showered you with trust and promises

**Em7 D**

What I'm needing now's some sweet revenge

**C D**

To get back all that I lost then

**Em7 D**

I gave you all I had to give

**C D**

But I could never reach you

Chorus

**G D Cadd9 D**

Adrienne, I thought I knew you

**G D Cadd9 D**

Once again, you used me, used me

Adrienne, I should have left you

Long before, you used me, used me up

Spent my money, drove my car

I treated you like a shining star

But in my sky all burnt out you are

And I'll have the last laugh, when i see you walking with  
some other guy

'Cause i know you're gonner end up all alone

So take these words, some good advice

All you've done's gonna come back twice

You never cared how much it hurt, i really need to tell you

Chorus

What I'm neding now some sweet revenge

To get back all that i love then.

I gave you all that i had to give, but i could never reach you
