The Calling

Emi **D** **C**
He stands alone outside the blooming yard
Emi **D** **C**
All is calm there on the street
Emi **D** **C**
The shadows pass him hung right over
Emi **D** **C**
The pain on his face he knew he'd keep...
Emi **D** **C**
His hair is long, and it's twisted, it's twisted
Emi **D** **C**
Around the smile spread cheek to cheek
Emi **D** **C**
Another child, another soul, grabs a hold
 Emi **D** **C**
To the metal that will end his misery...

G
One by one
 D **Emi**
We stand beneath the sun
 C **D**
With arms high open wide
G
Two by two
D
He's getting you
Emi **C** **D** **Emi** **D** **C**
To watch him as he leaves this life he knew

Verse 2

Emi **D** **C**
How much anger is set aside
Emi **D** **C**
As each one of us cries
As each one of us cries
Em D C
Emi **D** **C**
Red light they come and they take him away
Emi **D** **C**
In the thoughts, he'll be better, some day.
Emi **D**
Tied tight, can't see out your eyes
 C
That he's sure to shine, sure to shine
Emi **D** **C**
In this deep dark, played out, reality show
 EM **D** **C**
So, who's the man, with the plan,
EM
eating up all that he can?
 D **C**
Don't you see, don't you see...
