

Wherever You Will Go- I'ahšia Verzia

The Calling

D **A**
So lately, been wondering
Hmi **G**
Who will be there to take my place
D **A**
When I'm gone, you'll need love
Hmi **A**
To light the shadows on your face
D **A**
If a great wave shall fall
Hmi **G**
and fall upon as all
D **A**
Then between the sand and stone
Hmi **G**
could you it on your own

Ref.

D **A**
If i could, then i would
Hmi **G**
I'll go wherever you will go
D **A**
Way up high, or down low
Hmi **G**
I'll go wherever you will go

D **A**
And maybe, I'll find out
Hmi **G**
A way to make it back someday
D **A**
To watch you, to guide you
Hmi **G**
Through the darkest of your days
D **A** **Hmi**
If a great wave shall fall and fall upon us all
D **A**
Then I hope there's someone out there
Hmi **G**
Who can bring me back to you

Ref.
