

# It's 'Cause I Am

Callista Clark

You wish I was simple  
But I'll never be that  
Thinking that I think too much  
And I talk too fast  
Might be born in the same year  
But, boy, we ain't the same age  
I been reading the same book  
But we ain't on the same page  
Nah, it ain't your fault, boy  
Not even gonna make you say it  
I'll make the call, boy

I can't help that I'm one of a kind  
I'm more than meets the eye  
If I ain't what you like  
Well, that's alright  
You want a one-dimensional women  
It's okay, I understand  
If I seem too complicated for ya, mm  
It's 'cause I am  
It's 'cause I am

If I'm a little too salty  
It's 'cause you're too sweet  
And if you can't find the rhythm  
It's 'cause I make my own beat  
If you're callin' it stubborn, I'm callin' it sure  
I'm an MVP, you're Little League  
You can't keep up and I'm gonna get bored

I can't help that I'm one of a kind  
I'm more than meets the eye  
If I ain't what you like  
Well, that's alright  
You want a one-dimensional women  
It's okay, I understand  
If I seem too complicated for ya, mm  
It's 'cause I am

Don't beat yourself up about it, baby  
It's 'cause I am  
Don't beat yourself up about it, baby  
It ain't your fault, boy  
Not even gonna make you say it  
I'll make the call, boy

Yeah, I can't help that I'm one of a kind  
I'm more than meets the eye  
If I ain't what you like  
Well, that's alright  
You want a one-dimensional women (You want a one-dimensional woman)  
It's okay, I understand  
If I seem too complicated for ya, mm (I seem too complicated for you)  
It's 'cause I am, don't beat yourself up about it, baby  
It's 'cause I am, don't beat yourself up about it, baby, oh  
It's 'cause I am  
It's 'cause I am

It's 'cause I am
