

Reckless

Callista Clark

They say, I'm a little young to think
That I know what I'm doing
Got too much faith in everything
Even when I'm losing

Maybe you're right, maybe you're wrong
Think what you want of me
I follow the wind, I kinda can't help
But I live what I believe

If that makes me reckless
Let me be reckless
Naive and crazy
I won't disagree
If I can stay fearless and keep this
Wild heart on my sleeve
Then reckless is what I wanna be

Picket fences are for dancing on
Stars are there for reaching
Hope is worth taking chances on
Dreaming ain't just for sleeping

Love ain't a crime and people are good
I could probably fly
Magic is real, normal is fake
And I don't mind if

If that makes me reckless
Let me be reckless
Naive and crazy
I won't disagree
If I can stay fearless and keep this
Wild heart on my sleeve
Then reckless is what I wanna be

I ain't saying that I ain't been hurt before
The hurt is worth life I'm fighting for
You call it careless, I call it free

If that makes me reckless
Let me be reckless
Naive and crazy
I won't disagree
If I can stay fearless and keep this
Wild heart on my sleeve
Then reckless is what I wanna be
If that makes me reckless
Let me be reckless
Naive and crazy
I won't disagree
If I can stay fearless and keep this
Wild heart on my sleeve
Then reckless is what I wanna be
Then reckless is what I wanna be
