

Sad

Callista Clark

Hey!
What?
No way
Okay

If you were such a heart-breaker
If you're some kind of silver tongue
If you were such a breath-taker
And if you were the only one
And, boy, if you're a bar setter
If you're some kinda Romeo
If you were such a hard-to-forgetter
And I'm supposed to be a wreck 'cause you let me go

Then why ain't I sad? (Not even a little bit)
Why am I over here over you laughin'?
Why ain't I mad? (I'm already over it)
I'm still sittin' real pretty after what happened
Ain't losin' no sleep, all my dreams are sweet
I betcha think I'm missin' what we had
But if I'm supposed to cry through the lonely nights
'Cause you said goodbye
Well, why ain't I, why ain't I sad?

I thought I'd fall to pieces
Yeah, like you said I would
And overthinkin' reasons
And doin' all the things that do me no good
If I'm supposed to be messed up here, wrecked up here
Left me here wonderin' why, why

Then why ain't I sad? (Not even a little bit)
Why am I over here over you laughin'?
Why ain't I mad? (I'm already over it)
I'm still sittin' real pretty after what happened
Ain't losin' no sleep, all my dreams are sweet
I betcha think I'm missin' what we had
But if I'm supposed to cry through the lonely nights
'Cause you said goodbye
Well, why ain't I, why ain't I sad?

Oh no, yeah
Oh woah, no

So I think you think
You're God's gift to love (Hahaha, no)
And if that's true and I should be broken up
'Bout us breakin' up

Then why ain't I sad? (Not even a little bit)
Why am I over here over you laughin'?
Why ain't I mad, baby? (I'm already over it)
Still sittin' real pretty after what happened
Ain't losin' no sleep, all my dreams are sweet
I betcha think I'm missin' what we had
But if I'm supposed to cry through the lonely nights
'Cause you said goodbye

Well, why ain't I, why ain't I sad?

No, no (Ooh, ooh)

Why ain't I- no (Not even a little bit)

No, no, no, no

Why ain't I sad?
