

## Mango Taco

Caloncho

Keep your ass for you and save it for yourself, girl  
Stop confusing me with all your mind tricks  
Keep your ass for you and save it for yourself, girl  
Stop confusing me with all your mind tricks

Ma-a-a-ango Taco  
Ma-a-a-ango Taco

I'd love to take your eyes and get them off your lovely face  
Cause maybe you'll see right without your bright sight  
I'd love to take your heart and rip it off your lovely chest  
Cause maybe you'll be fine, at least you'll be the same

Then we could chop your tongue  
And make a narrow taco  
Cause your speak hollow words  
I'd rather eat your mango
