

# Flaws

Calum Scott

There's a million different reasons why I love you  
And I'm sure that I could find a million more  
There's not a single thing that I would change about you  
You're picture perfect just the way you are  
So show me every mark and every scar

'Cause I want you  
And all your flaws  
If you're looking for perfection  
Take a look in your reflection  
'Cause I got mine  
But I want yours  
When you feel like you ain't beautiful  
Just remember, I'm in love with all your flaws

I know sometimes you feel like you are worthless  
But I wish that you could see you through my eyes  
You're amazing in your heart out to the surface  
Don't cover up the pain you feel inside  
'Cause you can tell me anything I promise, I, oh

I want you  
And all your flaws  
If you're looking for perfection  
Take a look in your reflection  
'Cause I got mine  
But I want yours  
If you feel like you ain't beautiful  
Just remember, I'm in love with all your flaws

You've been hiding things that I just really love about you  
So promise me you'll be yourself and no one else because

I want you  
And all your flaws  
If you're looking for perfection  
Take a look in your reflection  
'Cause I got mine  
But I want yours  
If you feel like you ain't beautiful  
Just remember, I'm in love with all your flaws  
I want you  
And all your flaws
