```
[Intro: Dizzee Rascal]
Yeah
Yο
Alright let me just cool this right now quickly
[Verse 1: Dizzee Rascal]
Super trippy riding through the gritty inner city
Roll with the committee
Handle your business or handle the pity
All I see is lots of titties
I know bunch of hippie chicks
That's ready to show me tricks
They doing the splits
I'm all up in the mix
A choir out the mist
I'm taking trips
I'm in the Ferrari looking sick
I'm in the Ferrari looking slick
Letting the engine rip
And getting a tire
A' grippin' ah slippin' and slidin'
Turning the music up
I'm vibing now I'm flying
Lord strap me if I'm lying
I ain't perfect but I'm trying
Going super sire and buying
Anything that catches my eye
Cause I'm a provider getting it in from here to china
It's so minor I'm a survivor, never retire
I'm a black tiger ready to blaze to the fire, live wire
Now I'm rolling through the shires
Blazing the green to get me higher
Now I'm inspired
Putting the pressure on the back tires
Making a hasty get away
Having a better day in every way
Than yesterday
I guess there's nothing left to say
[Refrain (Dizzee Rascal) 8x:]
Getting it in from here to china (getting it in from here to china)
[Verse 2: Dizzee Rascal]
Wind in my face
Chilling in Versace shades
Wearing a fresh pair of gaze
Looking like car just been paid
Stupid I don't play no games
Switching out lanes on these lames
Switching out dames simple and plain
No I can't be contained
Plus I'm raw and untamed
I'm so far from mundane
Getting ghost is my aim
I suggest you do the same
Taking a trip out to Spain
With my girl Mary Jane
```

And she stays on my brain Like a big gravy train Papparazi on my case Giving chase Cameras flashing in my face All up in my space Gotta pick up the pace Singing Amazing Grace I'm in an amazing place With crazy pape's I ain't like them other lazy apes I used to blaze the tapes So now I stays hoping for my break Making no mistakes Now I rolling with the breaks But still book time for my original mates So we don't bubble with hate We just get on with it You brothers are constipated And your shit is over rated ...you should save it

[Refrain 8x]
