

Over Now

Calvin Harris

I don't really care if your tears fall down your face
You know you play the victim every time
I know you getting turned every night
Oh yeah, your girls ain't shit trying to get me off your mind
The same ones who be hitting up my line
They're not your friends

I need you to know that
We ain't ever gonna go back
This time it got so bad
It's best for me, it's best for you
I need you to know that
Tried to love you but I forced that
All signs, we ignored that
And it's not the same

'Cause it's over now (Oh yeah)
Don't get too confused girl, it's over now (Oh yeah)
No coming back around (Baby)
Nothing left to lose girl, it's over now

So I take this just to forget you, I don't regret those memories
And I swear I'm not trying to test, I wish you the best with the life
you lead
But you always need that attention, feeding the press when we don't s
peak
But we're both with somebody else so please stop calling me

I need you to know that
We ain't ever gonna go back
This time it got so bad
It's not the same

'Cause it's over now (Oh yeah)
Don't get too confused girl it's over now (Oh yeah)
No coming back around
Nothing left to lose girl it's over now

'Cause it's over now (Stop calling me)
Don't get too confused girl, it's over now (Stop calling me, hey!)
No coming back around (No coming back around)
Nothing left to lose girl it's over now (No coming back around)

Stop calling me back around
Back around
Oh yeah
Ooh
Oh yeah
Stop calling, stop calling
Ooh, ooh-ooh-ooh
