Before This Moment Leaves

Calvin Richardson

Tell me where to go
(Mmm)
Tell me what I need to say
There's a part of me that's gone
(Mmm)
You're the part of me that's gone away
(Eh)
Together were alone
Its like the best of me is gone

Tell me where to go (oh baby)
Tell me what I need to say (oh na na)
Will you help me with these tears
I feel like I'm about to break
All the way down babe
Just Tell me that im wrong
Babe
I want you for the long hall
Right here with me
(oooooo Ehhh)
(oooooo)

Tell me where to go (mmm)
Before this moment leaves
