

Are you waiting?

Calvin Russell

Are you waiting for the rain ?
Are you waiting for the sun ?
Are you waiting for your train,
Or a bus to run ?
Waiting to go out, waiting to go in
Waiting for the mail to come, waiting for a friend
Waiting to turn left, waiting to go right
Waiting for the day or waiting for the night ?
Waiting for a ring on your telephone
Waiting to be with someone or to be alone?
Are you waiting ?
Are you waiting ?
Are you waiting,
For your chance to come ?
Are u waiting on a savior ?
Are Waiting for the true ?
Are waiting on a heroe,
To come and do it all for you ?
Waiting for the night, waiting for the day ?
Waiting for someone to come and take your heart away
Do you want to be unique maybe 'till next week ?
Waiting for the world to come and trow it at ur feet

Waiting for a sign to come into the sky ?
Waiting till the time that you know a reason why ?
Are you waiting ?
Are you waiting ?
Are you waiting,
For a chance to come ?
Are you waiting ?
For a chance to come ?
So why do you stay there
Why hesitate at all
You think you can make it
You think you will fall
But the whole world is out there
So why don't you take it ?
Are you waiting ?
Are you waiting ?
Are you waiting,
For your chance to come ?
Why are you waiting ?
Why are you waiting ?
Why are you waiting,
For your chance to come ?
