

# Free In Freedom

Calvin Russell

Show me the Free in freedom  
Show me the free.

We are all born different  
and then we train to be the same  
Teacher's teach and preacher's preach  
To describe for me my reality  
Number You and number me  
Humanity-it's insanity.

Show me the Free in freedom  
Show me the Free in freedom  
Show me the Free in freedom  
Show me the free.

We are analyzed-digitized-standarized-and corporatized  
Capitalized-democrasized-homogenized-and advertized  
Baptized-normalized-sanitized and dehumanized.

Show me the Free in freedom  
Show me the Free in freedom  
Show me the Free in freedom  
Show me the free.

repeat Show me the Free in freedom show me the free.
