

I should have been home

Calvin Russell

I saw this dancin lady
I guess she worked in the bar
There was a dozen lone rangers
I don't know who they are
The waitress was spinnin
My head it was ajar
I should have been
Home with you

Well the band they rock'n'rolled
But they were not the best
Anyway all of those songs
Sound just about like the rest
Some girls look pretty
Baby you were the best
I should have been
Home with you

I got home at daylight
I know I been gone too long
I woke up at eleven
And I found that you had gone
Drank a pot of coffee
And I wrote you down this song
I should have been
Home with you

Hey now I got home at daylight
I think I been gone too long
I woke up at eleven
And I found that you had gone
Drank a pot of coffee
And I wrote you down this song
I should have been
Home with you
