

## Moments

Calvin Russell

Moments of sorrow and moments of joy  
We can share  
If you will be there  
To help me over  
These times  
They aren't easy  
Often my table is bare  
So will you be there  
To help me over  
These times

We'll pick the fruit of life's vine  
We will discover and find  
I'll share with you what is mine  
I'm asking you to be mine

Time is the question  
Time is all I can give  
Long as I live  
I'll share these moments with you

We'll pick the fruit of life's vine  
We will discover and find  
I'll share with you what is mine  
Baby I'm asking you to be mine
