

## Nothin' can save me

Calvin Russell

Not all your money  
No kind of philosophy  
Can ever save me from myself  
No prayers or devotions  
No kind of emotions  
Can ever save me from myself.  
Not all your science books  
No pills and no fashion looks  
Can ever save me from myself  
Nothin' that you can do  
And I don't even want you to  
Nothin' Can Save Me from myself.

Nothin' Can Save Me  
Nothin' Can Save Me  
Nothin' Can Save Me from myself  
Not all your money  
No words of philosophy  
Can ever save me from myself.

No money can be spent  
Certainly not government  
Nothin' Can Save Me from myself  
Whatever law you bring  
Is just like the other thing  
Nothin' Can Save Me from myself.

Nothin' Can Save Me  
Nothin' Can Save Me  
Nothin' Can Save Me from myself  
No lawyer with law degree  
No insurance policy  
Can ever save me from myself. (x 2)

Nothin' Can Save Me  
Nothin' Can Save Me  
Nothin' Can Save Me from myself  
Not all your science books  
And none of your fashion looks  
Can ever save me from myself.

Nothin' Can Save Me  
Nothin' Can Save Me  
Nothin' can save us from ourselves  
Whatever law you bring  
Will be like the other thing  
Nothin' can save us from ourselves  
Nothin' Can Save Me  
Nothin' Can Save Me  
Nothin' Can Save Me from myself.
