

Every Day

Cam Meekins

Yeah, every day I'm smokin' somethin'
Every-, Yeah
(Every day I'm smokin' somethin', every day I'm smokin' somethin')
(Every day I'm smokin' somethin', every day I'm smokin' somethin')
(Yeah, light it up)
(We're all one, it's a fact, ay)
(Yeah, light it up)
(We're all one, it's a fact, ay)
(Every day I'm smokin' somethin', every day I'm smokin' somethin')

(Yeah, light it up)
(We're all one, it's a fact, ay)

I live like a stoner (ay)
Gave that chick a floater (ay)
That mean I don't want her (ay)
But she gave me domers (ay)
I smoke out Toyotas (ay)
I smoke like Glaucoma (ay)
I smoke 'til I'm in a coma (ay)
Wake up next day and start it over (ay)
Every day I'm rollin' that spliff (ay)
Take a couple puffs with the kid (ay)
I smoke with so many fans (ay)
That's why my shows are so lit (ay)
Hatin' on me 'cause I live my life (ay)
Smokin' probably saved my life (ay)
Fuck a government, I'll pay the price (ay)
And fuck Donald Trump, I'm gettin' high (ay)

Yeah, every day I'm smokin' somethin'
Every-, Yeah
(Every day I'm smokin' somethin', every day I'm smokin' somethin')
(Every day I'm smokin' somethin', every day I'm smokin' somethin')
(Yeah, light it up)
(We're all one, it's a fact, ay)
(Yeah, light it up)

(Yeah, light it up)
(We're all one, it's a fact, ay)

Fuck the industry, I got my friends, that's a fact
It's the same dudes rollin' big blunts in the back
When we hoppin' out the vans, smoke clouds, we was smacked
Man, I had so many nights, I ain't never turnin' back
Need a ounce to the face, 'fore I bounce to your place
Baby girl's parents hatin' how I smell everyday
Yeah, the kush my cologne
Now I get it off the phone
[?]
I ain't never rollin' cones

I'm just livin' how I wanna while I smoke that marijuana
There's so many misconceptions, but that shit don't get my caught up
'Cause everybody's smokin: CEOs, pro athletes
Talkin' 'bout a rap beef, when smokin' you don't have beef

Yeah, every day I'm smokin' somethin'

Every-, Yeah

(Every day I'm smokin' somethin', every day I'm smokin' somethin')

(Every day I'm smokin' somethin', every day I'm smokin' somethin')

(Yeah, light it up)

(We're all one, it's a fact, ay)

(Yeah, light it up)

(We're all one, it's a fact, ay)

(Every day I'm smokin' somethin', every day I'm smokin' somethin')

(Every day I'm smokin' somethin', every day I'm smokin' somethin')

(Yeah, light it up)
