

Living on the Road

Cam Meekins

I been living on the road (road)
I've been rolling up the sting (sting)
I just wanna cope (cope)
Man I don't wanna think (think)
I just wanna smoke (smoke)
Man I don't wanna drink (drink)
I been living with my ups (ups)
Could give a damn 'bout what you think (think)

I been living on the road (road)
I've been rolling up the sting (sting)
I just wanna cope (cope)
Man I don't wanna think (think)
I just wanna smoke (smoke)
Man I don't wanna drink (drink)
I been living with my ups (ups)
Could give a damn 'bout what you think (think)

Stop fucking with these girls (girls)
I been headed to the bank (bank)
Said it's me against the world (world)
Then I roll a little dank (dank)
I got problems in my head (head)
Make me wanna get away (way)
I just wanna get a jet (jet)
Shit I wanna leave today (day)

All you think about is chicks (chicks)
You ain't never making progress (progress)
I been learning how to skateboard
Dawg, I been making progress (progress)
Everybody wanna talk (talk)
No one giving me the facts (facts)
But if we all traded problems
We would take our own back

I been living on the road (road)
I've been rolling up the sting (sting)
I just wanna cope (cope)
Man I don't wanna think (think)
I just wanna smoke (smoke)
Man I don't wanna drink (drink)
I been living with my ups (ups)
Could give a damn 'bout what you think (think)

I been living on the road (road)
I've been rolling up the sting (sting)
I just wanna cope (cope)
Man I don't wanna think (think)
I just wanna smoke (smoke)

I been living with my ups (ups)
Could give a damn 'bout what you think (think)
