

# Numb

Cam Meekins

She wanna ride with the top down never go slow  
Ball so hard just in case you didn't know  
Young 21 repping on that Bean Town street  
Ya'll know who it be, used to be CMP

Now it's Lamp City repping on that 20 date tour  
Fans filled up bout to kill another show  
But she staying on my mind That pussy so wet  
Coulda sworn that that shit was upset What you know

About that team getting money out in Bean Town chillin  
Last year did a 100 this year do a million  
Then she broke my heart til that shit turned cold  
All I care about is work cuz I ain't got no soul

Filled up with emotions that I no longer want  
Used to sell zips steady chasing for the front  
Now I ride around at night so lonely at the top  
But you know that I ain't ever gonna stop

Cuz it's the shit that I do that makes me so numb  
The people that I'm with that make me so dumb  
Excuses that I got man I know there's more than one  
But I'll never say that it was never fun  
LAMP CITY  
[x2]

I got that loud pack  
I hit the club and I'm bout that  
Back when I was 17  
I had green all in that knapsack

You came up, I gave daps  
I sang raps, I hated class  
I never passed, I hit the gas  
When I was bout to go drop the label

You stood with me said fuck the past  
Shoulda stayed with me  
Cuz now I do it just to prove it to you  
Come lay with me

You'll never know the mistakes I made  
I regretted them and I made a change  
But now my heart is so fucking cold  
That I don't care I'm just bout my change  
And that's real

Cuz it's the shit that I do that makes me so numb  
The people that I'm with that make me so dumb  
Excuses that I got man I know it's more than one  
But I'll never say that it was never fun  
LAMP CITY
