

Situation

Cam Meekins

Girl just lay up, lay up, lay up, lay up, lay up, lay up
Have sex all night, we stay up till the sun goes up
I don't really give a f*ck about your situation
(x2)

This is supposed to be, best time of our lives
I feel you close to me, smoking thinking about the whole days
How these other dudes ain't got it like me, nah
How I made you feel, how you made me feel
When I ain't ever felt nothing

Girl just lay up, lay up, lay up, lay up, lay up, lay up
Have sex all night, we stay up till the sun goes up
I don't really give a f*ck about your situation

This is supposed to be, best time of our lives
I feel you close to me, smoking thinking about the whole days
How these other dudes ain't got it like me, nah
How I made you feel, and how you made me feel
When I ain't ever felt nothing

Girl just lay up, lay up, lay up, lay up, lay up, lay up
Have sex all night, we stay up till the sun goes up
I don't really give a f*ck about your situation
